You have just read the **information sheet for blood donors**, which is at your disposal at the blood donation center and you think you are able to donate blood. We would be grateful if you could now answer the following questions with the greatest sincerity by ticking the box with a cross in the corresponding box. You will help to ensure to your own safety and that of the patients who will receive your blood.

- I hereby consent to donate my blood.
- I confirm by my signature that I have thoroughly read and understood all of the information sheet for blood donors and that I was provided with all the necessary explanations.
- I confirm that my personal data are correct and that the answers to all questions are true and accurate.
- I know and consent that the blood I donate undergoes biological testing, which may include genetic methods if necessary, and that a sample of my blood will be stored for possible subsequent tests according to the Federal law on therapeutic products. I agree to be informed about abnormal results.
- I am aware and consent that part of my donation may be used for the production of medicinal products. I consent that my donation or certain components thereof may be used for medical research after encoding or anonymization.
- The personal data collected in the context of the blood donation is subject to medical confidentiality and used exclusively by Swiss Transfusion SRC (T-CH) and the Regional Blood Transfusion Service (RBTS). The RBTS is legally obliged to respect the Data Protection Act and to report notifiable diseases to the Health Authorities.
